

Living Outside the Managed Care Service Area

Terms and Conditions

By signing this form you agree to abide by the following:

IRS Section 125 Restrictions

Dependents can only be added or deleted mid-year if a qualified family status change occurs which is consistent with the benefits change that is being made. Notify the SSC Contact Center of the family status change by completing the required forms within 30 days of the event. If you fail to notify the SSC Contact Center within 30 days of the event, you must wait until the next Open Enrollment in which you are eligible to participate to make the change. Qualified family status changes are defined by the Internal Revenue Service and include marriage, divorce, the birth or adoption of a child, death of a dependent, or a change in employment status (for you, your spouse or eligible dependent), such as a leave of absence without salary, a job termination or new job commencement.

How to Make the Change

You need to complete and submit this form **within 14 days** of the date you received the email with the subject line, "Living Outside Michigan Care Service Area." Your new coverage will become effective the first day of the month following the move or the receipt of this form, whichever is later.

Release of Information

The Benefits Office will not release any information about you except:

- (1) when you request it in writing, or
- (2) when the release is necessary to process or review a claim (for example, to another insurance company).

If requested to do so, the Benefits Office will notify you of the information released and to whom.

Important Notice

You cannot cover under your University of Michigan benefits plans:

- (1) Anyone who works for the university and has his or her own coverage as an employee of the university.
- (2) Any eligible dependents who are already covered by another employee of the university, unless you are court-ordered to provide such coverage.
- (3) Anyone who is not your legal spouse or eligible dependent.
- (4) Yourself if you are covered by another University of Michigan employee in the same plan.

When you sign this change form, you confirm that you understand and agree that claiming such coverage is misconduct, and you agree to reimburse the university for any additional costs incurred as a result of that misconduct.

Authorization

You authorize any doctor, hospital or other provider rendering service to you or your dependents to furnish to the plan you have selected on this application any information requested concerning medical information, claims and other insurance payments. If you enroll in the CDHP, you understand that your enrollment and health information will be shared with HealthEquity for the purpose of administering and coordinating payments under your health savings account.
