WELCOME TO VICTORS WAY

We are excited to welcome you. Today we'll share updates to our office, thoughtfully planned with your teams in mind.

BUILDING AMENITIES

We think it's great working here, we'd love to tell you about it.

FREE PARKING

Pam Gabel, EVP, Shared Services shows off the ample parking; which is free of charge. 1000 Victors Way may only be a stone's throw away from Wolverine Tower, but the free parking is miles apart.

LOBBY

Right through the front door, our bright and airy lobby is a welcoming space for staff and visitors. Our dedicated DPSS Guest Services Representative, Thomas is here to greet you at our front desk Monday through Friday during business hours.

GYM

Mike Hague, Executive Director of Business Operations, OVPR enjoying a relaxing run in the Victors Way gym.

GETTING FRESH AIR

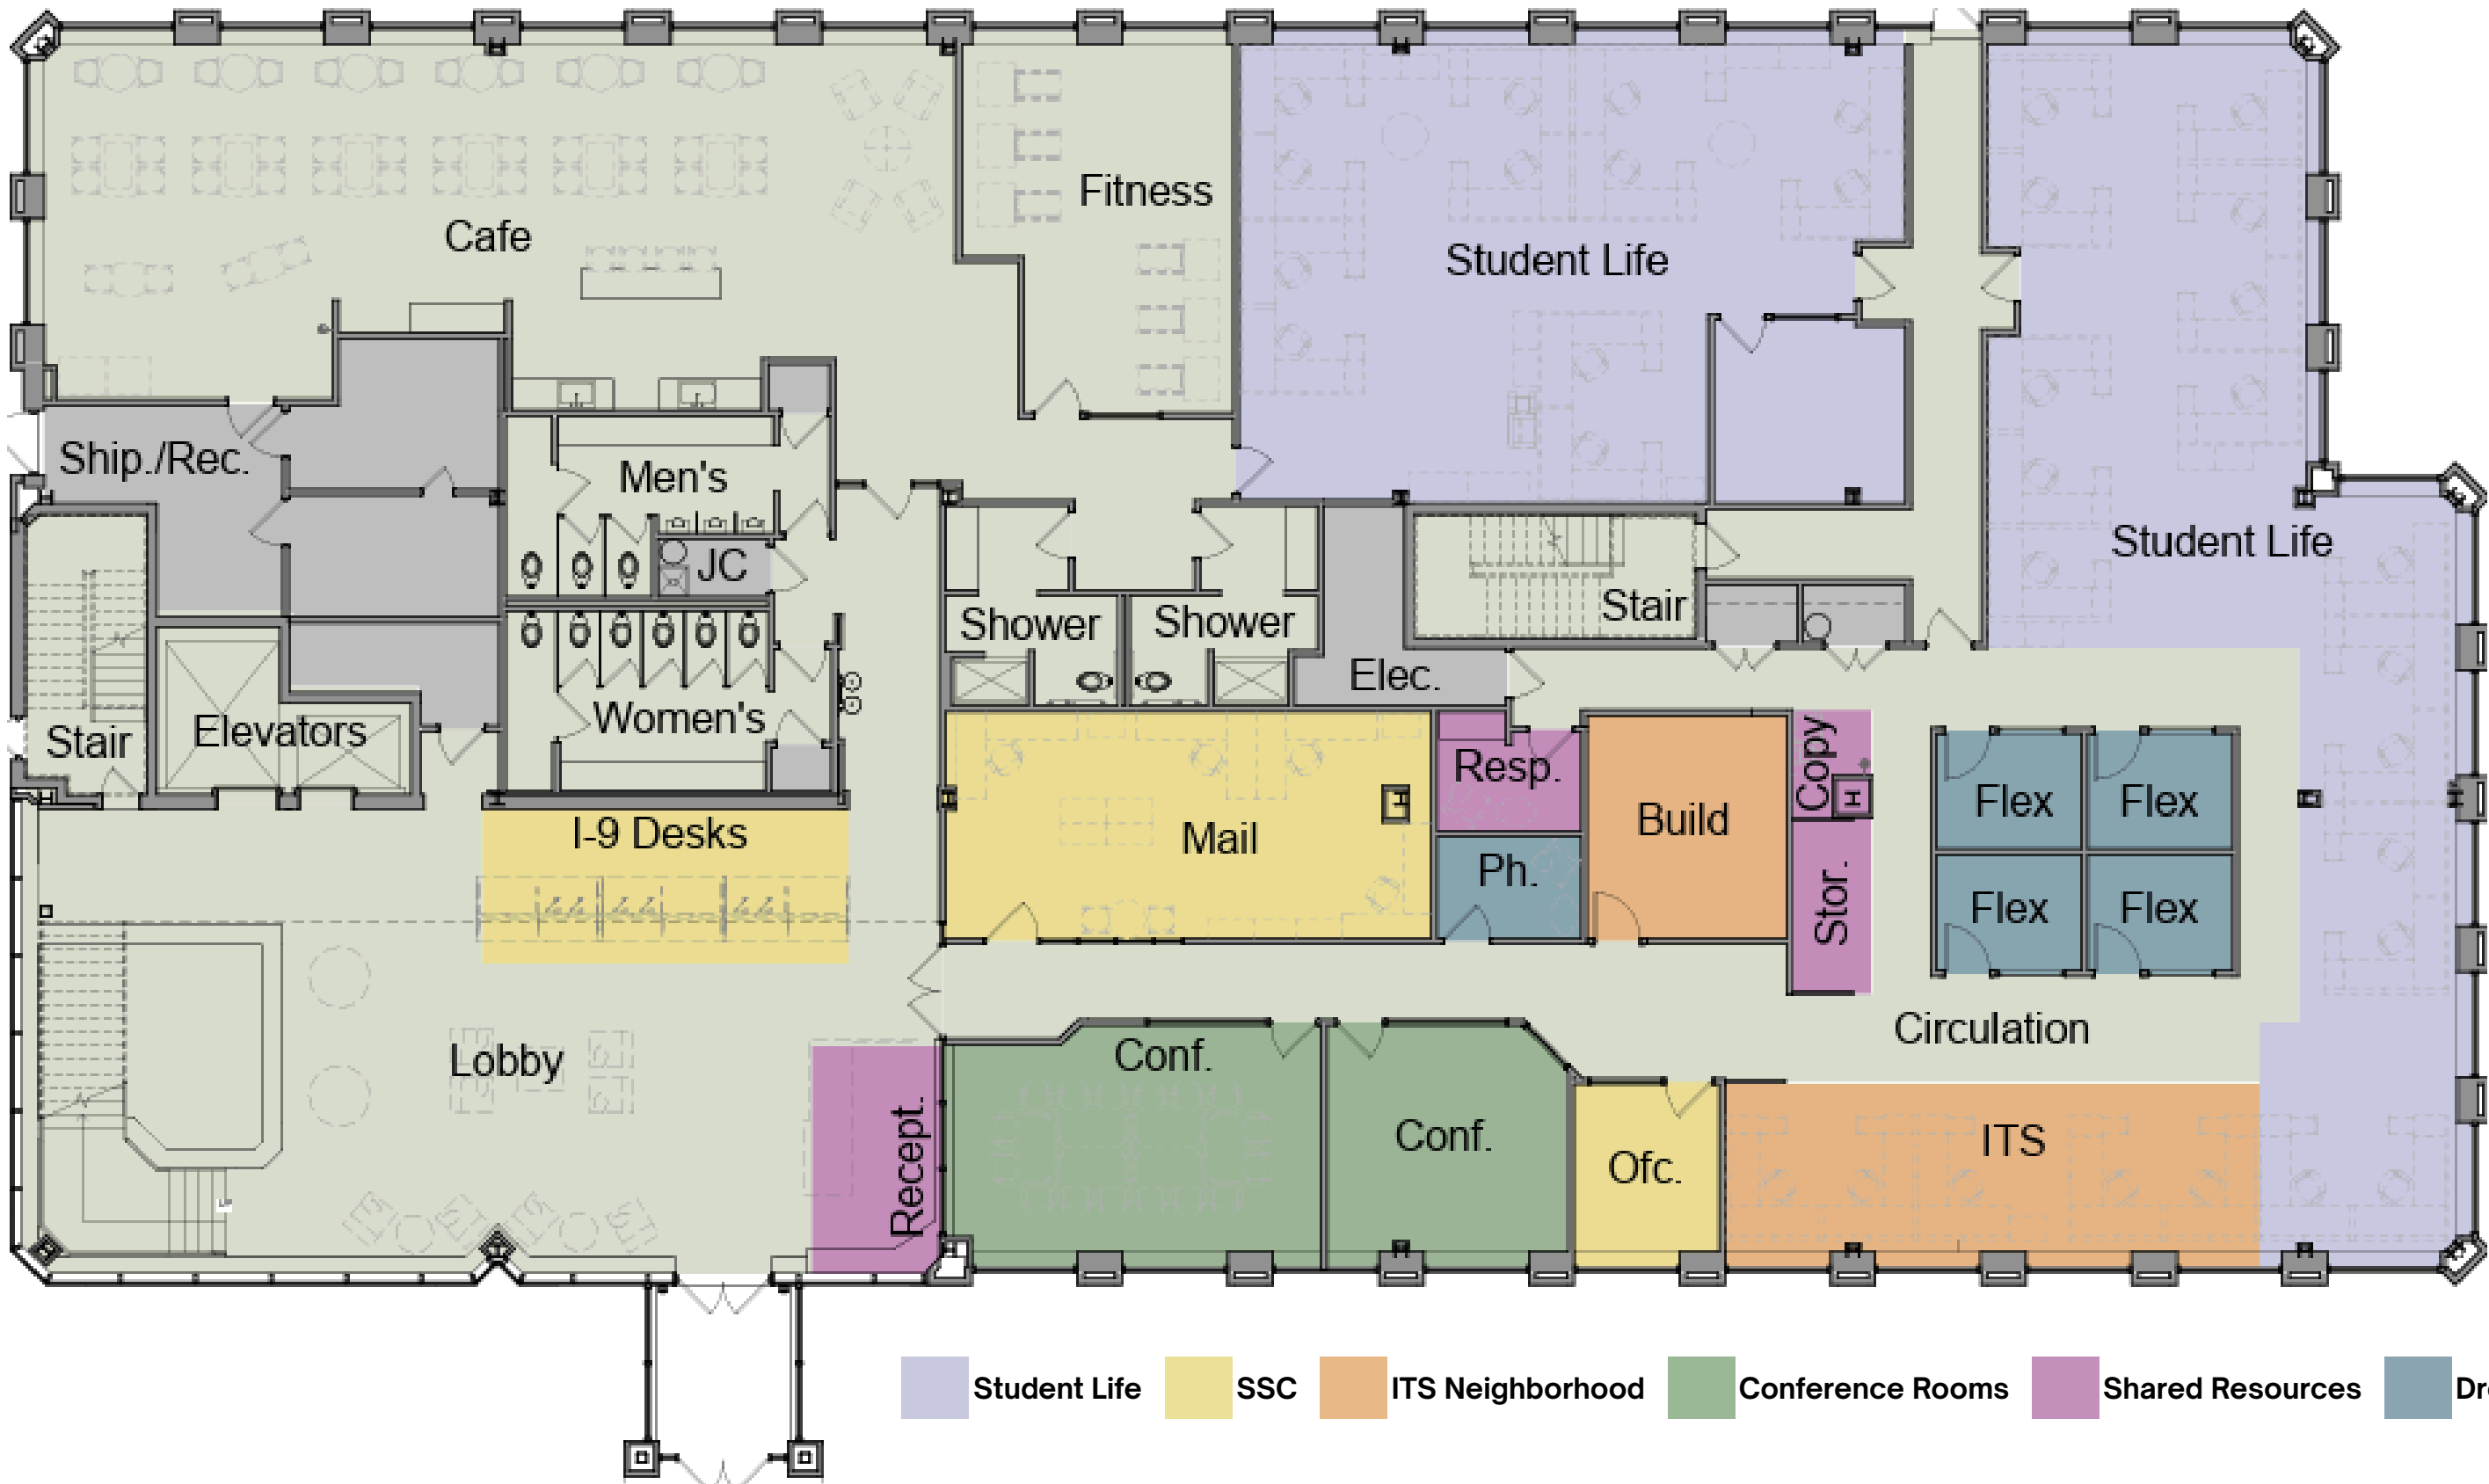

Our patio is a great option for an al fresco lunch or an outdoor meeting.

Phase 3: Second Floor

Moving in

2026

January - Spring – Renovation
Late Spring – Renovation work complete

Rolling move-ins as phased construction
ends

PARDON OUR DUST

The building will remain open through construction for access to the lobby, mail and critical onsite work. The MDen kitchen will be converted to storage.

CRITICAL ONSITE WORK

Space is limited. Essential onsite work will continue as needed. 70 individual cubicle spaces are available daily for reservation to teams who need to be onsite.

Meet the Business Office

BUSINESS OFFICE

MAIL

Open for business, the mail room is serving. Daily deliveries sorted and ready throughout construction. Stop in and say hello.

BUILDING ACCESS

The building is accessible to all staff 24/7 via card reader access. Our front door is staffed 8-5 Monday through Friday

Open House Dates

Drop in for a tour, ask questions,
and get a feel for our space.

October 28th and 29th

FAQs

Q: What should I do with my plants?

A: Take them home. We will decide after construction is over at VW whether and where they can come back to the office.

Q: How will new employees and leaving employees' building access be managed?

A: Victors Way will pilot a program called Grouper, that automatically manages adds and deletions at the department ID level. Individual requests should no longer be needed.

Q: How and when should I update the address for business correspondence?

A: You can start now, and your department will submit a request to forward USPS mail starting on December 31st. Check the [Mail Cutover Guidance](#) for more information.

Q: Will there be vending machines at Victors Way?

A: Yes - after construction we will bring back vending machines onsite.
